## Tilting Pan for small spaces

---

This electric Tilting Pan is ideal for small spaces. It can help you prepare and cook food in many different ways (fry, simmer, grill) and at the same time the space required is very limited.

MODEL	DIMENSIONS in mm	Voltage kW/V/Hz/~	Capacity
TAE02XSC4	510/628x762x982/1029	6/400/50-60/3	20 ltrs
